

MSL CHAMPS 08 | PARKING AT IVC

For more info visit www.strawberryseals.com/champs

Due to a geothermal heating project taking place in the IVC parking lots, we will only have at most 437 out of the 1,071 parking spaces that Champs usually fills. Parking passes will be required this year for the available spaces.

PARKING PASSES

- The MSL will distribute 400 *College of Marin Swim Meet* parking passes to the teams, proportional to their number of swimmers.
- Parking monitors at the main gate will check for passes, and will direct vehicles to either the drop-off zone or the open lots.
- Only *Swim Meet* passes will be accepted.

SATELLITE LOT AND NEIGHBORHOOD PARKING

- Satellite Parking will be available at the San Jose Middle School and Baseball Field parking lots (70 spaces) (see map).
- Some neighborhood parking (see map) is available near the Middle School.
- We encourage each team to arrange "driver pools." After dropping off children and gear, the drivers can meet at the lot and carpool in one car with a parking pass to gain access to the lots.

PARKING SHUTTLE BUS SERVICE

- The MSL will run one 36-seat shuttle bus. The shuttle will stop at the Middle School parking lot, Main Gate, and Drop-Off Zone in Lot 7 (see map).
- The bus will run continuously, with an estimated 15 to 20 minutes per round trip.

DROP-OFF ZONE

- To access the Drop-Off Zone, make a left past Lot 7. Make another left turn for the drop-off area and to exit.
- Greeters will be there to open the door, unload passengers, gear and close the door.
- After dropping off children and gear, drivers can meet at the lot and ride the shuttle or carpool in one car with a parking pass to gain access to the open lots.

GENERAL PARKING RULES

- Do not block the road. Roads are used for emergency vehicles.
- Park only in marked spaces. All improperly parked vehicles will be cited and towed.
- Disabled Parking spaces are enforced.
- No overnight parking.

SPECIAL RECOMMENDATIONS

- Plan on a delay due to parking.
- One car maximum per family.
- Carpool if you can; combine pairs of 1 adult and 1 child.
- If your child is in the AM meet only, please leave promptly after the meet.
